

“ An instant, top-drawer supper ”

▼ We have ordered a **Strictly Traditional cheese box** for Christmas for years now: a block of sharp, assertive Montgomery's Cheddar, mellow Colston Basset Stilton, creamy, crumbly Appleby's Cheshire, and flaky, lactic Kirkham's Lancashire. We serve them with medjool dates, crisp cox's apples, chutney, crunchy Fenland (dirty) celery, and some good Christmas port. An instant, top-drawer supper any time over the holiday.
